

Lincoln Parks and Recreation recognizes the importance of free play for children, especially in the **"GOOD OL' SUMMERTIME!"**

Play provides for creativity, along with social, physical and emotional well being. "Parks & Rec" offers a supervised **PLAYground** program for youngsters in grades 1-8 at the six major neighborhood parks Monday - Friday beging June 28th and ending August 12th. (check times, sites and schedule on this page.) You are encouraged to send your young ones "outside to play" at the park closest to your home. **After registering, the children are free to enter and leave the parks on their own volition. However, this year we are requiring that the youngsters consult with a staff person and provide exiting information before leaving.** It is very important to all parties concerned, that the parents who want their children to stay in the program all day, should stress this to their children. We hope that you give "your kids" an opportunity to partake, grow and benefit from our many wonderful activities.

We are appreciative for the cooperation and mutual support from the Town of Lincoln, the School Department, School Committee, Lincoln Police Department and the Parks & Recreation Commission.

Sincerely,

Paul "Prack" Prachniak
