

Lincoln Parks and Recreation recognizes the importance of free play for children, especially in the "GOOD OL' SUMMERTIME!"

Play provides for creativity, along with social, physical and emotional well being. "Parks & Rec" offers a supervised PLAYground program for youngsters in grades 1-8 at the six major neighborhood parks Monday - Friday beging July 1st and ending August 17th. (check times, sites and schedule on this page.) You are encouraged to send your young ones "outside to play" at the park closest to your home. After registering, the children are free to enter and leave the parks on their own volition. We do require that the youngsters consult with a staff person and provide exiting information before leaving. It is very important to all parties concerned, that the parents who want their children to stay in the program all day, should stress this to their children. We hope that you give "your kids" an opportunity to partake, grow and benefit from our many wonderful activities.

We are appreciative for the cooperation and mutual support from the Town of Lincoln, the School Department, School Committee, Lincoln Police Department and the Parks & Recreation Commission.

Sincerely,

 Paul "Prack" Prachniak

The aforementioned Child has my permission to attend and partake in the daily park activities. Moreover, I understand that Lincoln Parks and Rec is a Drop-In Program and my Child is free to enter and leave the park at his or her own volition. This year we require that the youngsters consult with a staff person and provide exiting information before leaving. Failure to do so will result in disciplinary action. It is very important that the parents who wish for their children to remain in the park all day, that they stress to their children, that they are not allowed leave the park. Also, in case of accident or serious illness, I request the Rec staff to contact me. If the Rec staff is unable to contact me, I hereby authorize the staff to call the Physician listed below and to follow his/her instructions. If unable to contact the physician, the Staff may take whatever measures deemed necessary. Dates and Fees subject to change.
