SEX OFFENDER INFORMATION FACT SHEET
NOTIFICATION OF RELEASE IN RHODE ISLAND - **Level III**

Authorizing Officer: Det. Lt. Christopher J. Tuffy

July 23, 2010

The Lincoln Police Department is releasing information pursuant to RI General Laws 11-37.1-1 et seq., also known as the Sexual Offender Registration and Community Notification Act. This individual is subject to community notification of his pending release pursuant to RI General Laws 11-37.1-12, which authorizes law enforcement agencies to inform the public of a sex offender's release from prison when the Sex Offender Board of Review determines that the release will enhance public safety and protection.

The individual who appears on this notification has been convicted of a sex offense which requires registration with law enforcement, pursuant to RI General Laws 11-37.1-1 et seq.

This offender has served the sentence imposed by the courts and will be living in the location stated below. This offender is **NOT WANTED** by the police at this time. This notification is not intended to increase fear. **"It is the belief of law enforcement that an informed public is a safer public"**.

The Lincoln Police Department has no legal authority to direct where an offender may or may not live. Unless a court order exists, an offender is constitutionally free to live wherever he or she chooses. Further, their previous criminal history places them in a classification level, which reflects only a potential to re-offend.

Sex Offenders have always lived in our community; but it was not until passage of the Sex Offender Registration and Community Notification Act that law enforcement was able to learn where they reside. In many cases, law enforcement is now able to share information with you. Abuse of this information to Threaten, Intimidate, or Harass registered offenders will not be tolerated and may be a crime. Further, abuse could potentially end law enforcement's ability to do community notification. We believe that if community notification ends because of community harassment, the only person who wins is the Sex Offender, since sex offenders derive power through secrecy.
